ELECTRONIC, TELECOM & COMPUTER PARTS SUPPLY™

Security/CCTV/Home Automation

Wire & Cable

Power Products

Testing & Tools

Communication

And More!

**FRIGID**   
**NORTH COMPANY**  
ELECTRONIC, TELECOM & COMPUTER PARTS SUPPLY™

Frigid North Company is a family owned and operated business. We have been serving Alaska since 1979 by providing high-quality electronic parts and equipment at a reasonable cost. We accomplish this by continuously expanding our current high-quality product lines, bringing in new high-quality product lines, by increasing inventory, by increasing the expertise and abilities of staff, and by improving our efficiency and productivity. We believe in a customer-first approach in order to better serve your needs.

We are one of Alaska's largest distributors of:

- Wire and Cable
- Premises Telecom Products
- Batteries
- Computer Networking Products
- Antennas and ROHN Products
- Electronic Test Equipment, Tools, & Accessories
- CCTV Systems
- Fuses & Fuse Hardware
- Power Protection Products
- Cellular Phone Accessories and Batteries

Additionally, we are a member of EDGE Marketing and Procurement, Inc allowing us to better deliver electronic, telecom and computer products to Alaska because we are able to provide access to a nationwide inventory database and faster availability of products.

We are open Monday through Friday from 7 am to 8 pm and on Saturday from 10 am to 6 pm to serve you in person. Our Inside Industrial Sales staff is available Monday through Friday from 8 am to 5 pm serve you over the phone and answer any technical questions regarding our products. Additionally, our website [www.frigidnorth.com](http://www.frigidnorth.com) is always available giving you the ability to place orders 24 hours per day, seven days a week. Free local delivery of our products is available Monday through Friday from 8 am to 5 pm.

For years, our family has worked to make Frigid North what it is today but nothing is possible without you, our valuable customers, and our staff. Alaska and all its components have made Frigid North Company possible, and we will share the fruits of our labors with this community by being active in community affairs and giving back to the community.

We are a proud member and owner of Edge, a national distributor group committed to offering you extensive inventory selection, excellent local service and vast product knowledge.

Utilizing the group's purchasing power of more than \$700 million, we are able to deliver you the right items at competitive prices. Our knowledgeable staff provides answers and prompt solutions to all of your product needs. We draw products from our expansive local inventory, but also have access to hundreds of thousands of products throughout the group's network of more than 170 warehouses across the U.S. and Canada. Whatever your need, Edge members can provide the solution.

**MG Chemicals**

One company. Many solutions.

**MG Chemicals' Super Thermal Grease (Cat. No. 8615)** gives super high thermal conductivity without the capacitance issue associated with silver filled greases.

- Thermal Conductivity of 3.0 W/(m·K).
- Contains no silver or other metal particles
- Pigmented with Boron Nitride
- Maximum service temperature 175 °C / 345 °F

For a complete list of our product offerings, visit [www.mgchemicals.com](http://www.mgchemicals.com)

**COOPER Bussmann**

**Cooper Bussmann® Products Keep You Protected and Connected**

From the leader in downtime reduction, workplace safety and code compliance

#### Fuses

##### Midget & Class CC

- Time-delay & fast-acting
  - Up to 600Vac/300Vdc, 1-30 amps
- Class G, J, RK1, RK5 and T Fuses also available

#### Fuse Holders & Blocks

- Open blocks up to 600Vac, 1, 2 & 3 pole
- Finger safe CH Series fuse holders for Class CC, J and midget fuses, 1, 2 & 3 pole

#### Power Distribution Blocks

- High SCCR up to 200kA
- Open and finger-safe versions
