

# MARK ELECTRONICS SUPPLY INC.

Mark Electronics Supply Inc. was established in 1959 and has been committed to growth through superior customer service since the beginning. The company has always had a reputation of high moral standards and its employees have always maintained a professional relationship with our customers. It is because of our high standards and unique sales approach that Mark Electronics has been the number one supplier of choice for the major OEM's, government agencies, universities, hospitals, utilities and end users in the tri-state area.

Today Mark Electronics Supply Inc. supplies a unique roster of industry leaders and pioneers. Our membership in the Edge Marketing and Procurement organization has given us access to over 900 manufacturers and a combined group inventory of 90 Million Dollars. This association gives us a leg up on our competition and provides our customers with the broadest selection of products at one location.

We welcome the opportunity to service your needs and look forward to a mutually beneficial relationship.

We are a proud member and owner of Edge, a national distributor group committed to offering you extensive inventory selection, excellent local service, and vast product knowledge.

Utilizing the group's purchasing power of more than \$600 million, we are able to deliver you the right items for the right price. Our knowledgeable staff are experts in providing answers and prompt solutions to all of your product needs. We draw products from our expansive local inventory, but also have access to hundreds of thousands of part numbers throughout the group's network of 168 warehouses across the U.S. and Canada. Whatever you need, Edge members can provide the solution.
